One of our purpose statements for the SIPNA Board is:
"To foster good will and friendship among all the residents within said boundaries."

Each year we hold multiple events that bring the community together in a way that allows them to bring their friends and family together. The idea is that we get everyone together and by serendipitous people will become friends and the community will be better for it. But often times we tend to flock to the same circles of friends, family, or our comfort zone.

As these events come up this year, I want to challenge everyone to put themselves out there. Meet someone new in the neighborhood. These events gather people from all over the city, and you never know who you may meet. Last year, I met many different people with many different stories to tell. It was a great experience. Many of us will have small conversations, a glance, a wave, or a smile, but put yourself out there and ask more questions, get to know that person. You never know who they might be, they could be your neighbor, and you never knew it.

Please join us for our
General Assembly on April 9th at 6:00pm
located at
The Lucille McWherter Senior Center.

We will be hosting a few speakers from around the community and hope to have updates on some exciting changes to our park in the near future. More details to come!

Our next event coming up is the
Sea Isle 5k, May 2nd *(Make sure to register!).*
This event is a ton of fun for our community, and the experience we get to share is like no other. Racing through our hilly streets on the East side of our neighborhood can really put a strain on your Achilles heel, but it is worth it. We have many families and friends from around the city who come to walk, run, or race the 5k and it's a great way to burn some calories.
